Celebrate National Coop Month

October is National Cooperative Month highlighting businesses like Spring Grove Communications that are built and owned by their members. Spring Grove Communications was founded by local residents who wanted a better communication network for this area. Without the cooperative business model, the region would not have the outstanding service it has today. Remember to celebrate this legacy, not just in October, but all year round.

Vikings Fans

There will be times the Minnesota Vikings games will broadcast on KMSP Fox 9 out of the twin cities or KXLT Fox out of Rochester instead of LaCrosse. Don't worry! We have you covered by adding the Metro Suite to your SGC-TV package for only \$5.95/month. Once the football season is over and you feel you no longer need the Metro Suite, you can call us and we will remove it from your line-up, it's that simple!

TaskTakers News

Mark your calendars for **Saturday October 22nd!** TaskTakers is now taking requests for the 3rd Annual Fall Clean Up, when we recruit volunteers to rake yards for anyone who is 65 and older, or is physically unable to do the task themselves. Last year we had volunteers from seven local organizations along with families that teamed up to help out. This is a great event that allows family

and friends to work together to serve our community. Each group will be assigned yards to rake and bag leaves. Please let us know if your group or organization would like to get involved. This is a community event and you do not need to be a TaskTakers volunteer to be involved. Any questions please call 498-8275 or email info@tasktakers.com.
