October 2015

## Open House

Let's Celebrate! Your Local Cooperative invites you to join us for an Open House **Wednesday, October 21st from 2- 6pm** for food and refreshments.

What does being a member of a cooperative mean?

- You get paid back a percentage of what is spent with us. The more services you have the more you get paid back. Spring Grove Communications allocated \$850,000 for services used in 2014 – as a coop member YOU get a portion of that profit!
- Local Service – When you call, we answer! We are your friend and neighbor.
- Community Investment – We continue to invest in helping to make Spring Grove grow and be the great community that it is!
- Annual Meeting – Board of directors are members you elect to help steer the cooperative in the right direction preparing for the future of technology.
- Fiber to every home in our service area makes Spring Grove a more enticing community for new families to locate to.

From the outside, we may look like any other business since we provide products and services like conventional businesses do. It is what goes on behind the scene that makes us different. Without your patronage, we could not do what we do or offer the services we offer.

*Thank you for your patronage, you are appreciated.*

## The Giving Tree

Spring Grove Communications started the Giving Tree in 2012 to help give back to the community. We started out collecting new or gently used coats, hats and mittens for residents of Houston County. We decided to change it up a bit this year. We have teamed up with the Houston County Food Shelf to collect nonperishable items to re-stock their shelves.

### Some items in need are:

- Condiments
- Brown sugar
- White sugar
- Canned fruit
- Saltine crackers
- Graham crackers
- Mac & Cheese
- Heat & Serve soups
- Canned meat
- Syrup
- Jelly
- Peanut butter

We will be collecting items through Friday, November 13th. Items may be dropped off at our office during business hours.

*Be thankful for*

*what you have...*

*Be mindful of*

*those who don't...*
