Traditions

For various reasons, from medical expenses to the loss of job, hundreds of local families face the holidays in despair trying to find ways to make sure their kids have something to open on Christmas Day. Because of this, Spring Grove Communications has adopted a tradition to help Houston County Care & Share collect gifts for those families in Houston County.

Care & Share takes these requests and fills out Christmas tree gift tags with the items requested printed on them. This year, Spring Grove Communications has received 62 requests for boys and 61 requests for girls. This is only a small portion of the overall requests, many other business and churches throughout Houston County will receive gift tags to fulfill as well. Help us help a child in Houston County have a magic-filled Christmas by fulfilling a request on a gift tag. Gift tags can be picked up during our regular business hours.

Unwrapped gifts need to be brought in by Friday, December 11th.

Thank you for your help.
